If you are interested in moving into your apartment early, please follow the steps listed below

- 1) Check the start date of your lease. Early move-in approval must be given at least 20 days in advance. Please make sure that today is at least 20 days before the start of your lease.
- 2) Email this completed form to the CMB Office: cmb@annarborapartments.net
- 3) If your early move-in request is accepted, you will receive a follow up email from CMB confirming your new move-in date. Charges will then be placed on your account ledger and must be paid within 7 days. Payment can be made via check or through the Resident Portal. Failure to pay within 7 days may lead to additional fees or the cancellation of your request.

*Remember, your balance must be **\$0.00** in order to pick up keys. We will not be handing out keys if you have not paid in full. Be sure to communicate with all roommates to assure a smooth move-in. We look forward to providing you with a comfortable new place to call home!*
